

## Physicists

| Last name   | First name  | Signature |
|-------------|-------------|-----------|
| Ampère      | André-Marie |           |
| Becquerel   | Henri       |           |
| Bohr        | Niels       |           |
| Born        | Max         |           |
| Dirac       | Paul        |           |
| Du Chatelêt | Emilie      |           |
| Einstein    | Albert      |           |
| Faraday     | Michael     |           |
| Fermi       | Enrico      |           |
| Feynman     | Richard     |           |
| Hamilton    | William     |           |
| Heisenberg  | Werner      |           |
| Maxwell     | James       |           |

|                  |              |  |
|------------------|--------------|--|
| Newton           | Isaac        |  |
| Noether          | Emilie       |  |
| Pascal           | Blaise       |  |
| Pasteur          | Louis        |  |
| Pauli            | Wolfgang     |  |
| Planck           | Max          |  |
| Schrödinger      | Erwin        |  |
| Skłodowska-Curie | Marie        |  |
| Watt             | James        |  |
| de Broglie       | Louis        |  |
| de Lagrange      | Joseph-Louis |  |
